total holiday hours				80	80	80	80	80*

*IA Service Contract Act (SCA) calls for 96 hours of holiday pay. This impacts hourly employees in the SCA classifications. The accrual rate .00/69 is applied for all hours worked in IA at the end of the year for all SCA employees.

**AVESI employees wishing to use a holiday the client doesn't recognize, must schedule that holiday as a day off from the project with their client supervisor.
